

In the tapestry of human experience, few forces are as transformative as love. Our 2025 Annual Partners' Event draws inspiration from Mahatma Gandhi's timeless wisdom:

Love Stories at AWC

*Chapters of struggle transform
into stories of strength.*

2025 Annual Partners' Event

The message "Where There Is Love, There Is Life" reinforces the mission of A Woman's Concern—through loving support and practical assistance, AWC is able to help nurture and protect life, creating a legacy of care that extends far beyond the moment when a mother finds out she is pregnant.

Your partnership in events like this year's Annual Partners' Event directly enables AWC to provide vital services to our community including Pregnancy Testing, Ultrasound Services, Health & Safety Education, Comprehensive Parenting Classes, and of course our Courageous Dads men's support program.

AS WE DIVE INTO 2025, WE INVITE YOU TO BECOME PART OF OUR TRANSFORMATIVE STORY.

We hope you will join our compassionate community of supporters who help create lasting change in the lives of mothers and families across our region. Together, we can transform stories of struggle into narratives of triumph and strength. Your support ensures that every mother who walks through our purple doors becomes part of our nurturing community, empowered to write her own story filled with Love and a profound respect for life.

Each "chapter" below represents an investment in our mission, building a comprehensive network of support for mothers and their precious little ones. Your sponsorship at any level helps ensure that every story that begins with a step through our purple doors is filled with hope, support, and endless possibilities. [Join us in writing the next chapter filled with love for a mother and family.](#)

I hope you will consider becoming part of our story for Life,

Mary Ann Albertini
Advancement Director

*"Where there is Love,
there is Life."*

This profound truth resonates deeply with our mission and the work we do at AWC every day.

Love is more than just an emotion. It is the catalyst that drives positive change in our world. It empowers us to serve, nurtures our community bonds, and transforms lives. Through love, we find the strength to overcome obstacles and the compassion to lift others up when they need it the most.
